Local Children Receive Free Sealants at Interfaith Community Clinic

The Woodlands, TX (Tuesday, December 6, 2011)— Thanks to a financial donation given to the South County Community Clinic dba Interfaith Community Clinic by the National Charity League (NCL) The Woodlands Chapter, 25 children received more than 163 free sealants on November 22, 2011.

The free sealants, valued at more than \$6,357, help to reduce the risk of future cavities.

President and CEO of the Interfaith Community Clinic Ann Snyder, Ed. D., shared, “We are truly thankful for the partnership with NCL, and look forward to providing many more sealants to children in our community.”

Additionally, Snyder said, “I would also like to thank the dental hygiene students from the Lone Star College System Kingwood Branch for donating their time performing the procedures on each child. We are grateful and could not do what we do without our loyal professional volunteers.”

All participants are clients of the Clinic, passed a prior dental exam and have had a cleaning at the Clinic.
